Professional Summary

Java Developer with 4+ years of experience in developing enterprise-grade applications using Java, Spring Boot, and Hibernate. Proficient in designing scalable back-end systems and implementing RESTful APIs. Strong skills in database management and cloud deployment.

Technical Skills

- **Languages:** Java (JDK 8+), SQL, JavaScript
- **Frameworks/Libraries:** Spring Boot, Hibernate, JUnit, Apache Kafka
- **Databases:** MySQL, PostgreSQL, MongoDB
- **Cloud Platforms:** AWS, Google Cloud
- **Tools:** Git, Maven, Jenkins, Docker
- **Other:** REST APIs, Microservices, Test-Driven Development (TDD), CI/CD

Professional Experience

Java Developer
CloudSoft Solutions, San Francisco, CA
July 2020 – Present

- Developed back-end services using Java and Spring Boot, handling data processing for a cloud-based SaaS platform.
- Implemented RESTful APIs, enabling seamless communication between microservices.
- Integrated Apache Kafka for real-time event streaming and data synchronization.
- Improved application performance by 30% by refactoring SQL queries and implementing caching.
- Participated in code reviews, improving code quality and mentoring junior developers.

Junior Java Developer
NextGen Tech, San Francisco, CA
May 2018 – June 2020

- Built and maintained Java-based web applications using Spring MVC.
- Worked closely with front-end developers to integrate user-facing elements with server-side logic.
- Assisted in database design and optimization for better query performance.

Projects

E-commerce Application

- Developed a scalable e-commerce platform with Spring Boot and Hibernate.
- Integrated payment gateways (Stripe, PayPal) and implemented security features such as OAuth2.

Event-Driven Architecture

- Led the development of a microservices architecture using Spring Cloud and Apache Kafka for a real-time messaging platform.

Education

Bachelor of Science in Computer Science
University of California, Berkeley, CA
Graduated: May 2018

Certifications

- Oracle Certified Professional, Java SE 11 Developer
